Please bring along your regular work schedule so you know when you are able to work. At this time we will invite you to sign up for the same as you worked last year, (we can't guarantee that this is where you will be scheduled, due to possible schedule changes). We will also give you an opportunity during "sign up" to inform us of any other times or places you would like to work in addition to or in preference to your 2002 schedule.

We'd like you there before 4:00pm so everyone can enjoy the evening's wonderful food, fellowship and entertainment.
